

MOKENA'S NEW PARK ALREADY
SERVING USEFUL PURPOSESStart Little Ball
League In Mokena

A Little Baseball League has been organized in Mokena, under the direction of Henry Clark and they have already had six practices. The league meets every Tuesday night at 6:30 and every Sunday morning at 10 o'clock in Mokena's new park.

Any boy between the ages of 9 and 12 who would like to join this league should contact Mr. Clark and attend the practices. Up to this time about 30 boys have joined the league, but more are wanted.

The Welsh Lumber Co. of Mokena, and the Mokena branch of the New Lenox Lumber Co. have donated the lumber for the backstops, the Dunham Hardware Co. has donated other materials for the purpose, and Judge John Balaz has donated six base balls. At present they have a makeshift diamond which will be improved later.

LOCAL WALTONS
ENTER CATCHES
IN CONTEST

The annual fishing contest conducted by Charles Smith proprietor of the Tinley Park Hardware company at Tinley Park, is now in full swing. Some very worthwhile prizes are awarded each year for skillful, or lucky anglers who register their catches at the hardware store.

Just to prove that the fish are biting and that certain residents of this area know how to land them, here are a few recent entries in the Tinley Park Hardware company's fishing contest:

Walleye pike, 3 1/2 lbs. Caught on a River Runt by Mike Hack at Willow Flowage, Wis.

Northern pike, 10 lbs. Caught on Pike Minnow by Jack Hack at Willow Flowage, Wis.

Lake trout, 2 1/4 lbs. Caught on a minnow, by Ed Vander Veen at Arrow Lake, Canada.

Bullhead, 6 oz. Caught by George Hess at Bachelor Woods Creek.

Well boys and girls, they are biting, all the way from bullheads to muskies, although no muskie catch has been registered yet.

At the end of the season, prizes will be awarded for the biggest fish in each class. You don't have to be an Ike Walton. Beginners often out catch old timers. Enter your catches in this contest. You might as well. There is no charge.

CHURCH PICNIC

The Sunday school of the Trinity Lutheran church, 150th and Oak Park avenue will hold their annual picnic June 21. Dinner will be served from 11:30 to 1:30 and supper will be served later in the evening.

Break Ground for New Cooper's Grove
School; Expect Occupancy for Fall Term

Participating in the ground breaking for the new Cooper's Grove school, are left to right: Dick Harding, Mrs. Carolyn O'Neill, Fred Goebel, Mrs. Frances Harding, Harold Schultz and Bernard Ballard. Assisting with the shovel is little Barbara Ballard.

On Sunday afternoon June 7th at 3:00 p.m. at 184th and Central ave., ground was broken for the new Cooper's Grove school. Mrs. Harding assisted by tiny Miss Ballard, turned over the first shovelful of dirt. Mr. Fred Goebel of Tinley Park was the guest speaker.

The new building is located one mile west and one block south of the present school, which just held its 75th graduation program. The new building was necessitated by the hazard of a heavily traveled highway and the growing need of additional space.

Construction is under the direction of contractors R. & G. Carlson of Chicago Heights, and work has been started, as occu-

Interest in the Mokena-area recreation park has reached a new high since youth groups have been enjoying the benefits it provides. Girl Scouts and their leaders were enthusiastic about the park site when they held day camp there last week. The privacy afforded by it and its convenient location were the points appreciated by the leaders.

On Friday night the Boy Scouts pitched their tents there for an all night camp, preliminary to attending the Scout camp to be held at Kankakee the first week in July. Under the supervision of the Rev. William Riemann, Neighborhood committee chairman, and Gerrit Swart, the boys made camp in the wooded area of the park, and cooked their supper and breakfast over a camp fire. They followed the trails to the south limit of the park and later played ball. After dark they gathered around the fire and sang Scout songs and were entertained with stories by Arthur O. Omland, who was a Scoutmaster before moving to Mokena.

Several public spirited citizens are contributing to equipment for a Little Ball League since the purchase of the park means the boys will now have a permanent ball field. The park promotes the elimination of the well-known use of the park. All they ask is that all persons using it leave it as clean as they found it.

To quote from an article published by Antioch college, of Yellow Springs, Ohio, "we Americans at first were an outdoor people, with a self reliance and hardihood fostered by the hand. Then increasing urbanization seemed to be eliminating this heritage. But recent figures indicate we are still an outdoor people if given half a chance. In 1952 over 41 million of us visited our national parks—double the prewar record. But our state parks, more accessible to more people, had over 120 million visitors. Perhaps nearly everyone would take advantage of country parks if they were adjacent to every community."

In saving a natural spot for the benefit of future generations Cook county took the lead and all the residents of the Mokena community have had a chance to actually see the benefits of the Cook county forest preserve to the people of the Chicago area.

Mokena is fortunate in securing an unspoiled natural setting and the foresight shown in buying it will be appreciated by unnumbered generations to come.

BAKERY SALE

The Altar and Rosary society of St. Jude's Catholic church of New Lenox will sponsor a bakery sale Saturday, June 20 in the local library. Mrs. Joseph Gustat is chairman of the sale, which will begin at 10 o'clock. All bakery donations will be appreciated from members of the parish.

Youth Fellowship
Officers Installed

The Youth Fellowship officers of the New Lenox Methodist church, elected in April, were installed at services June 7. They are: president, Dale McMahon; vice president, Marian Nelson; secretary, Eleanor Hammond; treasurer Virginia Donaldson; publicity chairman, Bob Townsend; worship chairman, Marie Lou Loebe; hymn leader, Mickey Feil; world service, Lino Sheeler; community service, Bill Hammond; reception chairman, Betty Jo Oster.

Ursula Thiel of
Mokena, Takes Vows
With R. Whiteside

Miss Ursula Thiel, daughter of Mr. and Mrs. Ludwig Thiel of Mokena, became the bride of Mr. Robert Whiteside, 2104 Emmaus, Zion, Ill. son of Mr. and Mrs. C. W. Whiteside, Zion, the evening of June 12.

The Rev. Wm. Riemann officiated at the 8 o'clock candlelight double ring ceremony in St. John's Evangelical and Reformed church. The altar and bouquets were decorated with bouquets of mock orange blossoms.

Before the ceremony Mrs. Esther Fields Davies, organist, accompanied Mrs. Eugene Bogdon and Russell Peterson in two violin duets, "Because," and "The World is Waiting for the Sunrise." Soloists were Miss Mary Ann Belin, who sang "Still as the Night," "I Love Thee," and "Oh, Perfect Love."

Given in marriage by her father, the bride was attired in a gown of white tulle and lace and a white tulle over slipper satin. The fitted bodice was styled with a stand up collar, long tapered sleeves and chapel length train on which was a cascade of bouquets of amazon lilies and stephanotis and an all silk handkerchief of her paternal grandmother.

Miss Anita Geuther of Mokena was the maid of honor and Miss Jackie Hynes, a sorority sister of Miss Thiel, was the bridesmaid. They wore ballerina length gowns of yellow net over yellow tulle with matching stoles, and carried bouquets of ivy and greens.

Miss Bobbe Schubert of Chicago, another sorority sister of the bride, Miss Patricia Whiteside, sister of the groom, Miss Juanita Bruesser of Mokena and Miss Carole Carpenter of Joliet were candlelighters. Their light green dresses were identical to those of the maid of honor and bridesmaid, Miss Linda Whiteside, sister of the groom, was flower girl. She wore a yellow net dress and a wreath of daisies in her hair.

Charles Whiteside of Zion attended his brother as best man, and James Finn also of Zion was the groomsmen. Ushers were David Krop, Mokena, Don Erickson, James Anderson, and James Bird, all of Zion.

For her daughter's wedding, Mrs. Thiel chose a rose lace and tulle dress with white accessories. The groom's mother wore a light blue dress of silk shantung and white accessories. Both mothers wore corsages of garnet roses.

A reception was held in the church parlors after the ceremony for approximately 140 guests. The four-tiered wedding cake was cut by Miss Margaret Schmidgall and Miss Velma Lewis of Chicago. Miss Connie Dirkes and Miss Mary Mitchell served punch. Miss Dorothy Kohl was in charge of the guest book.

The new Mrs. Whiteside chose a pink and white organza dress with white accessories for a wedding trip to Wisconsin. After June 21 the couple will reside at 230 East Third street, Mokena, the home of the bride's parents. Her parents are leaving for a four months trip to Europe for reunion with relatives after 25 years and to visit with their son who is stationed in France.

The bride will return to her studies at Northern Illinois State Teachers College, DeKalb, in the fall when she will be a senior. She is a member of the Delta Sigma Epsilon sorority. The groom is a graduate of the same college with a Bachelor of Music degree.

The bride was honored at three prenuptial showers. A miscellaneous shower was held in Zion, a linen shower was given in DeKalb and a personal shower honored her in Mokena.

HOME MADE BAKE SALE.

A home made bake sale will be given by the women of St. Mary's church at Dunham Hardware store, Mokena, Saturday, June 20 from 12 to 4 p.m.

GIRL SCOUT
DAY CAMP
ACTIVITIES

June 8 thru 12 were busy days for the Girl Scouts of the Mokena and Frankfort areas, as they participated in their annual week of day camping. Activities took place at the beautiful new Mokena park site, south of LaPorte road, where six units of 120 girls camped.

Each day's camping brought new experiences to the Girl Scouts who chose the international theme. Unit 1, second grade Brownies, represented Hawaii while Unit 11, third grade Brownies, chose Germany. Scotland was the theme for Unit III, fourth grade Fly-Ups, and Mexico for Unit IV, fifth grade Intermediates. Unit V, sixth grade Intermediate Girl Scouts, chose Ireland. Friday afternoon's program, presented for parents and friends, featured skits, songs and dances representative of these various countries.

Monday's activities consisted of setting up the unit camp sites and a special headquarters area was established under a lovely oak tree. A large tent provided shelter for the nurse's equipment and all the material needed to operate a successful day camp. Tuesday the girls learned axmanship, fire building, and preparing a delicious one-pot meal, "Noodle Delight." Wednesday because of the heavy rainfall, the "Rainy Day" program was put into effect, with the girls meeting in the Mokena school gymnasium, and keeping busy with handicraft, singing and other indoor activities.

Back in the park Thursday the girls made buddy burners and tin can stoves and cooked hamburgers and strawberry shortcake baked in reflector ovens. On this and previous days they practiced for their Friday afternoon's entertainment. Other activities during the week included sketching, painting, nature hikes, badminton, songs and games, photography and first aid.

During the week, honored guests were Miss Gretchen Reighard, executive director of the Girl Scout council of Will county, and Mrs. Ralph Bourrie, president of the council.

Camp director of Camp Hawthorne in its sixth consecutive year was Mrs. James Murphy of Mokena, while Mrs. T. Arthur Shoop of Mokena served as assistant director. Mrs. Hugo Neithammer of Mokena served her sixth year as camp nurse. Headquarters aides were Mrs. Ted Pethoe, Mrs. Jack Owens, Mrs. Deane Rueckert and Mrs. J. Scott Perry.

The following women served as unit and assistant unit leaders: Unit 1, Mrs. Russell Anderson, leader, Mrs. Walter Yunker, Mrs. Robert Mitchell, Mrs. Kenneth Sherwood and Mrs. Joseph Klinger.

Unit 2, Mrs. Albert Zemke, leader, Mrs. James Quinn, Mrs. Leroy Hansen and Mrs. Walter Schoen.

Unit 3, Mrs. W. F. Carter, leader, Mrs. Roy Lembke, Mrs. Lyman Teague, and Mrs. Harry Miller.

Unit 4, Mrs. Norman Bradley, leader, Mrs. Donald Maue, and Mrs. George H. Kaehler.

Unit 5, Mrs. Walter Grote, leader, Mrs. Paul Kluth.

Unit 6, Mrs. Lester Heisner, leader, and Mrs. Robert Schweitzer.

Program consultants were Mrs. T. Arthur Shoop, Mrs. Fred Lehmann, songs and games Mrs. Leo Marcoux, art, and Mrs. George H. Bills.

Mrs. Jack Owens was day camp chairman, assisted by Mrs. Lester Dixon, Girl Scout Neighborhood chairmen were Mrs. Deane Rueckert, Mokena and Mrs. Leroy Hansen, Frankfort, who assisted in many ways. Camp Hawthorne wishes to thank all the friends who contributed to the success of the 1953 Mokena-Frankfort Girl Scout day camp.

To Lay Cornerstone
Of New Cathedral
In Joliet June 28

The Chancery office of Joliet has announced that the cornerstone laying ceremony will take place at St. Raymond Cathedral Sunday, June 28 at 3 p.m.

Since 1950, when the campaign for the cathedral fund was begun, month after month has found the edifice nearer to fulfillment. Bishop McNamara has issued an invitation to the public to attend the ceremony and especially for all those who helped make the cathedral possible, both adults and children. In commenting on the ceremony, Bishop McNamara expressed gratitude to all who contributed in the seven counties of the diocese, and whose generosity has made the cathedral a reality. The ceremony, it was pointed out, will act as a special reminder to those who have delayed in fulfilling their pledges so that all may share in the cathedral. The fulfillment of the pledges will insure the expense of furnishing the interior of the edifice.

Remember Dad—
On Father's Day

We get our chance on Father's day, To honor and remember Dad, To let him know in some special way.

He's the best Dad to be had, For as long as we can remember Dad has worked so faithfully, Whether it was May or December, He's provided for you and me, When we were small 'n' Daddy,

Who carried us near and far, Now many grown lasses and laddies, Ask Dad to borrow the car, So it's our Dad we can count on When we find ourselves in need And it's his shoulder we lean on For he's been a friend indeed, So be sure to remember your Dad,

When it's his own day of days, For many times he made you glad, With some of his wonderful ways.

And if you are one of the many Whose dear Dad has gone from this earth, Remember to send some prayers so he Will know you remember his worth.

—Hazel Adelman, Homer.

WILCO-EIGHT
SMALLFRY NEWS

Peotone won two ball games both by shutouts to take the Wilco-eight Small Fry league lead. Their first victory was a 2-0 win, Dahn and Hanson chucked a four hitter for the losers. Friday night, Peotone not only got pitching, but exploded a 14 hit attack against Manhattan for a 10-0 victory. This time it was Toepfer who hurled Peotone to a two hit victory. For Manhattan, Baker, Jones and Nemanich did the hurling.

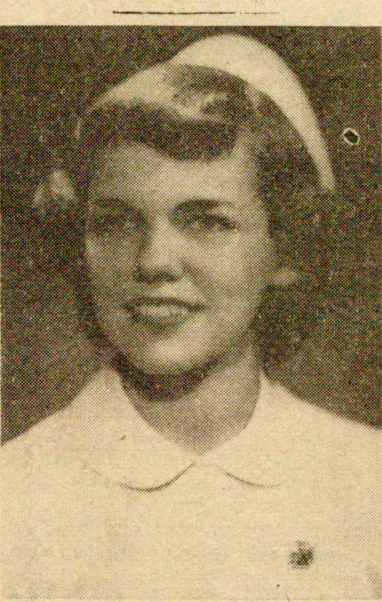

Crete knocked off Matteson Friday and that gave both teams a split thus far. Crete won 4-3 and this time it was Becker who pitched Crete to the victory. Buchmeier was the loser for Matteson. In Monday's game Matteson knocked off Manhattan, newcomer into the league, by a score of 4-2. Matteson got a total of seven hits to Manhattan's three.

Beecher and Tinley Park tried twice to play their game but wet grounds caused it to be postponed until July 3. Both teams, however, got into the winning way Friday night when they participated in slugfests. Beecher defeated Frankfort 12-7, boasting a big 9 run 3rd inning. Frankfort came back strong in the last three innings, getting six runs. For Frankfort, Piepenbrink hurled for three innings but did quite a job with the bat, getting four hits. Mager also got three hits. For Beecher, Saller hurled the entire six innings and got the win. Wehlung led all Beecher hitters with three hits.

Tinley Park drubbed Steger 11-7 Friday. Collins and Hahn won the losing battery for Steger. This was Steger's second defeat since they dropped a tough one to Frankfort 1-0 in 8 innings. Benning of Steger struck out 18 men while Schram of Frankfort had 9 and Mager of Frankfort had 9 in three innings.

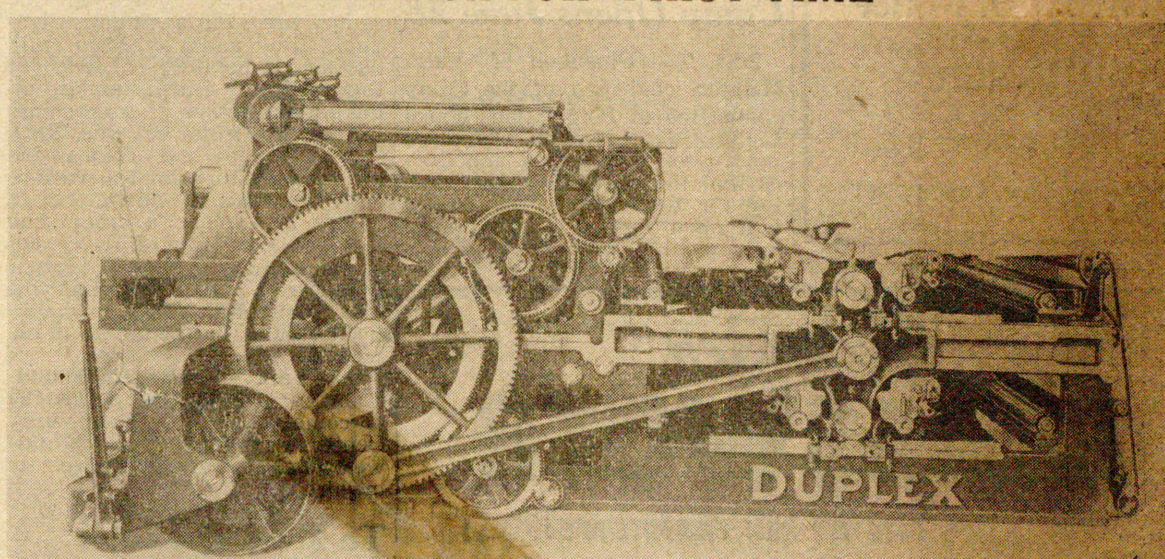

League Standings

Miss Carole Carpenter, formerly of Mokena, and a graduate of Joliet Township high school, was among 30 girls who received diplomas Thursday evening, June 11, from Silver Cross School of Nursing in commencement exercises at the Richards Street Methodist church.

"If a fellow has an empty stomach, it won't give him any peace till he fills it. Pity that an empty head doesn't do the same!"

NEW PRESS AT SEMMLER NEWSPAPER PLANT
GOES INTO OPERATION FOR FIRST TIME

Duplex printing press, installed in recently completed addition to the Semmler newspaper plant in Mokena. It is roll-fed, has an output of 5,000 8-page papers per hour, and folds automatically.

Free Chest X-Ray
For Mokena and
Nearby Villages

A mobile x-ray unit will be in Mokena this Friday, June 19 for the purpose of taking chest x-rays. It will be located on Front street, across from the Mokena State bank. The hours will be from 2 to 5 and from 6 to 9 p.m.

Anyone under 18 years of age may be x-rayed under this program. There is no charge for the x-rays, and it is unnecessary to remove clothing.

This work is being done by the Will county Tuberculosis Association and the Will County Health Development.

It is important to detect TB early, and x-rays do this. The earlier it is discovered in a person the easier it is to cure.

In charge of the local workers for this section is the Health and Welfare Committee of the Mokena Lions club, which consists of Philip Hacker, chairman, Wilford Martie, Blaine Saxton and Walter Yunker.

Local Students To
Get U of I Degrees

June commencement days have started at the University of Illinois. Today, June 18, 40 graduates of the health sciences professional units in Chicago got diplomas in exercises at the auditorium, Sunday, June 21, 2,500 degrees will be presented to graduates in exercises scheduled for 2:30 p.m. Central Daylight Time in Memorial Stadium. Among candidates for this ceremony are Joanne Marek, daughter of Mr. and Mrs. Willard Martie of Mokena, who will receive a Bachelor of Science degree, and John O. Gardner of 216 Ash street, New Lenox, who will receive a Doctor of Philosophy degree.

Elsie The Cow
Makes Mokena Deb't

Mokena's Front street blossomed out Tuesday night with another brilliant neon sign, featuring Borden's famous Elsie the cow. The slap happy bovine, boked up in the Borden colors of red, white and blue, blinks its eyes humorously from Ida's Sweet Shop, near Wolf road, and is the westernmost neon sparkle to the night.

Elsie the Cow made her debut in front of Ida's Sweet shop coincident with the addition of a line of delicious lunchmeat, cheese etc. to augment the already wide line of foods, soft drinks and periodicals carried by the Sweet Shop.

Ida's Sweet Shop was started on Front street several years ago, and is now doing a thriving business.

Frankfort Lions
Install Officers

The Frankfort Lions club met Tuesday evening in the village hall, and the newly elected officers were installed. They are, president, Robert Fredin, first vice president Ted Massey, second vice president, Wendell Morrison, 3rd vice president Henry Breidert, secretary - treasurer Cornelius Wieringa, financial secretary, Al Hochberger, treasurer, Lester Heisner, and lion tamer, Albert Swatek, Sr. The directors are, Walter Baumgartner, Dr. Carl Marienfeld, L. C. Cummins and George Tate.

One of the projects of the Frankfort Lions club this year was to equip all school bicycles in Frankfort with safety tapes, yellow in the front and red in the rear. Motor cars, approaching from ahead or rear, show them up and in this way help avoid accidents. The tape was presented to the school children for installation on their bikes by themselves. In charge of this was Burton Breidert, retiring president of the club, LeRoy Mager and Herbert Lambrecht. This project was completed on the last day of school in Frankfort.

NEW LENOX
CHILD KILLED
IN AUTO CRASH

Tragedy hit a New Lenox family last Thursday when a mother and her children figured in a fatal auto crash. Mrs. Wade Krohn, 22, of New Lenox, was headed east on Caton Farm road when she slowed down for a stop sign, but did not stop as saw no approaching traffic. Her car collided with a car driven by Dennis McKee, 21, of Kansas City, who was headed north on route 66 and who had just passed a truck. The Krohn car was hit broadside.

Fatally injured in the crash was Kitty Krohn, 2 1/2 year old daughter of Mr. and Mrs. Wade Krohn, whose skull was fractured when she was hurled from the car. Rex Krohn, the little girl's younger brother, sustained a skull fracture and chest and foot injuries.

Mrs. Krohn received cuts in her forehead, and Mrs. Ann Boyle, of Joliet, a passenger in the Krohn car, sustained a broken right ankle and internal injuries.

Dennis McKee was treated for injuries to the left arm, chin and neck. Three other Kansas City college students, riding with McKee, were injured in the crash. All were released from the Joliet hospital following emergency treatment.

Mrs. Krohn and Mrs. Boyle were returning from a meeting of the Royal Neighbors of America. The four Kansas City youths were on their way to Chicago to attend a fraternity convention.

Kitty Krohn was born August 25, 1950. Her father, Wade, is employed by the Welsh Lumber and Hardware Co., New Lenox.

New Instructions
In Box Rates for
Mokena Post Office

With reference to the change in box rents rates appearing in the News-Bulletin of June 11th. The following general exception has been authorized by the Assistant Postmaster General.

In any instance where there has been a change in gross postal receipts for the preceding calendar year, postmasters have been authorized to continue to use the present postal receipt bracket of the new box rent schedule for the following year in order to avoid a double rate increase to box rent patrons.

This authorization applies to the Mokena post office where the gross postal receipts last year showed a marked increase.

Due to this order the following schedule will be in effect: The call box will be 35c, the lock box now 45c will be 65c and the large lock box will be 90c.

Mokena VFW To
Give Turkey Dinner

The William Martin Post 725 VFW and its Auxiliary, of Mokena, will give a turkey dinner Sunday, June 28 at VFW hall, on Wolf road, Mokena. People who like good eats will reserve this date and plan to be on hand between the hours of 1 and 5 p.m., when serving will be made.

TO OPERATE BEAUTY SHOP

Mrs. Doris Elder, of Mokena, who was a beauty operator in Chicago for a number of years, has taken over the Audrey Beauty Shop, located on Haven avenue in New Lenox. The name will be changed to the Vanity Box. Mrs. Elder has established a reputation as a high class beauty operator.

Never complain about your troubles; they are responsible for more than half of your income. —Robert Updegraff.

Several months ago announcement was made in this newspaper that, to keep abreast of the ever-increasing demand for printed products, The Semmler Newspapers were enlarging their plant and had purchased a Duplex printing press to replace the Miehle press on which these newspapers have been run off for the past few years. The building to house this Duplex press, which weighs 13 tons, has now been completed, and the press has been installed in operation. Today's news printed on the Duplex run to be made on it.

You will notice that instead of seven, as formerly, an additional column on each page will provide more space for coverage.

The Duplex, cut of of here shown, has a speed up to 5,000, 8 page newspapers per hour, or 16 page tabloid size newspapers. It is a press, roll fed, which automatically folds the paper as soon as it is printed, thus eliminating hand feeding and hand folding, resulting in the saving of considerable time and labor.

The press was installed by an expert on printing presses, Edward Moheiser, of the Goss Printing Press Co., Chicago. It came completely knocked down and its thousands of parts had to be assembled. He was assisted in his work, which was very complicated, and at times very heavy, by William Siemen, of Tinley Park, who was with the Rock Island shops in Blue Island before his retirement.

The press was bought from J. Sporo & Co., of Chicago. The unloading was done by Blaine Saxton and his crew, of Mokena. General contractor for the building to house the press was Philip Hacker, of Mokena, and Ernest Pfeifer and son, of New Lenox, were the mason contractors. Robert Uthe, of Orland Park, was in charge of the electrical installations.

The Duplex is housed in a new concrete block building, 20x32 feet, which joins the old building on the north. It is a concrete floor, a pit for the use of messmen in webbing the paper, and is fluorescent lighted. An auxiliary heating plant will be installed in the annex to supplement the existing heating plant.

With prestime considerably shortened because of higher speed and the elimination of folding as a separate job, there will be more time for printing circulations, notices, placards, invitations, and other forms of job printing, which have crowded this newspaper's printing facilities in the past. The new press will also assure the papers getting out on schedule time each week.

The old Miehle press, which was installed a few years ago, completely rebuilt at that time, but which is inadequate for present needs, will be sold, and the folder will also be offered for sale.

We are sorry to be late in publishing this work, but it can be easily understood that many adjustments were necessary which caused delays. This week we were assisted in the printing of the papers by the erectors, but next week we will go it alone, and are hoping good fortune will smile on us, so as to be out on scheduled time.

Public Invited to
Legion Post Meet

The Bobzin-Swinford American Legion post at Frankfort will be hosts to the meeting of the Will county council of the American Legion, Friday, June 19, starting at 8 p.m.

Speaker will be Special Agent Robert J. Wilson of the Chicago office of the Federal Bureau of Investigation. He will show a film "A Day With the F. B. I." Mr. Wilson is being brought before the Legion by the committee on Americanism, and will give the members not only an informative talk but will answer questions from the floor.

There will also be election of officers. The public is invited.

Published every Thursday at Mokena, Will County, Illinois
Entered as second class matter October 30, 1919 at the post office
at Mokena, Illinois, under the Act of March 3, 1879.

Bales 10 Tons an Hour

The new Dearborn Hay Baler will produce three to eight bales per minute and has a capacity of 10 tons of hay per hour, providing farmers with fast, efficient one-man baling. Bales measure 16" by 18" in either 36" or 42" lengths. Bale weight can be adjusted between 50 and 100 pounds. A 25 horsepower engine provides ample power for baling under varied conditions. With this powerful engine, stacked hay can be baled as efficiently as windrowed hay.

Cooper & Hostert

Mokena, Ill.

every day many children from our own community, as well as those from the Chicago area come out for a happy season of camping. Horseback riding is always a favorite activity for the children; Bill Berryman who has been a popular counselor in the camp for the past two years will be back this year and will teach the children how to ride. The council fires, with Paul T. Sanders, Director of the camp acting as Indian Chief for the occasion is an enjoyable occasion for the children, as they learn more of Indian lore of the area and play at being Indians. The four tribes in the camp are Pottawattomi, Iroquois, Illini and Fox. Each child becomes a member of one of these tribes, which make up the Indian Nation. At a ceremonial first night in camp, Thursday, June 25, the children learned through the various activities. This is one time in a child's life when a child can live in a controlled environment as he is away from the larger world in a small world of his own where democracy is practiced among the members of the camp family. If you are interested in Foundation Farm Camp, call Palos 780 or come over to the Community Center Foundation on South-west Highway at 127th Street to inquire.

To Hold Gigantic Lutheran Hour In Chicago Stadium

Plans for a gigantic Lutheran Hour rally, to be held Sunday, September 27, in the Chicago Stadium, have just been made public. The announcement was made by Louis A. Menking, president of the Lutheran Laymen's League of Northern Illinois, promoters of the rally. This rally will inaugurate the 21st consecutive season of this international broadcast, known officially as "Bringing Christ to the Nations." It will introduce the Rev. Dr. Lawrence Acker of Omaha, Neb., the new Lutheran Hour speaker. Main feature of the Chicago rally will be an elaborate musical pageant with massed choruses and trumpeters. The rally will be sponsored by 258 Lutheran churches in Northern Illinois. The announcement was made early in order that congregations may be reminded of the date and not schedule other conflicting activities.

USE THESE CLASSIFIED
SAVE YOURSELF MONEY

Salvation Army's Doughnut Day drive in Mokena last Friday brought in a total of \$104.60. Boxes had been placed in all stores and taverns in the village, and a corps of women had volunteered to tag pedestrians. Mrs. James Fassett, chairman of the drive, tagged early morning commuters at the railroad station. Mrs. Harry Cooper was co-chairman. They were assisted in their work by members of the Auxiliary to the 5 Point Amvet Post in Mokena. These were Mrs. Waldo Meek, Mrs. Jake Barenz, Mrs. Dorothy Bertriger, Mrs. Chas. Florey and Miss Carol Fassett. 20% of the money collected will remain in the village with the local treasurer of the Salvation Army committee here, Mrs. Hugo Niethammer. The workers reported that they received fine support thru out the day, wherever they went because the Salvation Army is well known for its fine work in helping the boys in the service and its splendid record for aiding the needy everywhere, with out cost.

Two N. Lenox Girls Honored at JTHS

Eleanor Hammond, daughter of Mr. and Mrs. James Hammond, of New Lenox, received the Adam award for the highest scholastic rating for girls in the sophomore class at JTHS. Virginia Donaldson, daughter of Mr. and Mrs. Glenn Donaldson, also of New Lenox, who received the award last year also had the highest average of her Junior class this year, but because of receiving the award last year could not accept it again this year. New Lenox can be quite proud of two of its girls who brought home the highest award.

Many Attend Daily Bible School Class

There were 250 registered pupils at the annual daily vacation Bible school that just ended in the Methodist church at New Lenox. Friday night a capacity crowd filled the school auditorium to attend the program given by the classes of the school. The program opened with the daily routine exercises, special singing by the various classes, and showing of the things they had learned. After the program articles made by the children were displayed before the parents and friends attending.

INVENTIONS THAT SERVE YOU

Charles Goodyear
For hundreds of years the potentials of raw rubber had been appreciated by science and industry. But nobody had been able to correct its tendency to become sticky goo in hot weather and brittle in cold. In 1839 Charles Goodyear, who had spent six years experimenting, accidentally spilled a concoction of rubber, sulphur and white lead on a hot stove. He peeled off the blob and found the answer. He patented the vulcanizing process in 1844. Rapid development of the rubber industry followed. His invention was the basis of the rubber industry today.

PATENTS MAKE JOBS

Add years of life to your old farmhouse!

Careful remodeling will make your old house a new farm home—ready to give you modern convenience and comfort. Let us help you plan your farm home remodeling. Thru our complete Building Service, we bring you tested ideas from Successful Farming magazine on remodeling your home, inside and out—all the way from adding built-in storage cupboards and picture windows to utility rooms and new porches. There's no charge for this service. Come in today.

"Everything for the Builder"
Wolf Road & Rock Island Tracks

Again Friday Night

Bob Tattersall, of Streator, will try to make it two in a row at Mance Park Speedway Friday night, as the stock cars roar again on the highly banked one-quarter mile oval south of La Grange, on Route 45. Art Nelson is back in good shape after his sensational accident last week. Art Derry of Hinsdale will try to uphold his fastest time trial of last week in his Cadillac, and show the Joliet drivers the short way around.

Delivers Potato Chips; Breaks Leg

Albert Wiese, new owner of the Marley store, suffered a broken leg while at work on Thursday. The accident occurred when he stepped out of his truck while making a potato chip delivery in Indiana. He was taken to a nearby hospital where the leg was put in a cast. Mr. Wiese is convalescing in his home.

Woman Engineer With Chrysler 'Makes' Cover Page

Miss Lucille Pieti, woman automotive engineer with the Chrysler Corporation, is the subject of a cover story in the July issue of Cars Magazine, appearing on newstands across the country. "Cars" names Miss Pieti "Chrysler's Most Beautiful Engineer" and says of the blond Detroit, "Equally at home with automatic transmissions or apple pies, graduate engineer Lucille Pieti has added a touch of feminine glamor to a male dominated field. The lady is long on gray matter, too."

Miss Pieti, the only woman in a graduating class of 300 engineers, holds a Bachelor of Science degree in Mechanical Engineering from Wayne University, Detroit. She was enrolled in Chrysler Corporation's cooperative student training program and spent six years alternating between her college classroom and the productive departments and research and engineering laboratories of the Chrysler Corp.

At present, Miss Pieti is busy traveling with Chrysler's "New Worlds in Motion" show, explaining to the public how the modern automobile is conceived, designed, and executed. Miss Pieti will be in Milwaukee appearing with the show June 19 through June 28. She is the first woman automotive engineer officially to represent Chrysler in its history.

In Crisman Home

A housewarming and buffet supper was held in the new home of Mr. and Mrs. Ronald Crisman in Lincolnwood Sunday evening. Present were Mr. and Mrs. Lyle Beadles, Mr. and Mrs. James Brooks, Mr. and Mrs. George Stockley, Mr. and Mrs. William Collatz, Mr. and Mrs. Roy Garman, Mr. and Mrs. Joe Ingram, Mr. and Mrs. Harvey Frick and Miss Joyce Frick.

Christian Science Churches

Material thinking sees only its own false concepts, whereas spiritual ideas reveal the divine creation supported and governed by infinite Mind. This will be explained in all Churches of Christ, Scientist, on Sunday, June 21. The subject of the Lesson-Sermon will be Is The Universe, Including Man, Evolved By Atomic Force? The Golden Text is from Psalms (24:1) "The earth is the Lord's, and the fulness thereof, the world, and they that dwell therein."

Bible selections (King James Version) in the Lesson-Sermon include: "Behold, I will proceed to do a marvelous work among this people, even a marvelous work and a wonder: for the wisdom of their wise men shall perish, and the understanding

ing his counsellor hath taught him? " (Isa. 29:14, Isa. 40:13). Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Either Mind produces, or it is produced. If Mind is first, it cannot produce its opposite in quality and quantity, called matter. If matter is first, it cannot produce Mind. Like produces like. Spiritual evolution alone is worthy of the exercise of divine power" (pp. 551, 135).

NOW HARVEST ALL YOUR CROPS AT LOWER COST!

CORN GRAIN SEED BEANS

UNI-HARVESTOR

LOWERS YOUR EQUIPMENT INVESTMENT

Now you can harvest all crops—corn, grain, seeds and beans, in far less time, with far less work, at lower equipment cost than ever before. This new UNI-HARVESTOR gives you a powerful, dependable, one-man machine that quickly and easily converts to a self-propelled combine OR self-propelled 2-row corn picker-husker.

MM UNI-HARVESTOR GIVES YOU THESE BIG ADVANTAGES

UNI-COMBINE with VARIABLE SPEED DRIVE that allows ground speed changes without altering operating speed of the attachment. UNI-MATIC hydraulic lift controls cutting height from 2' to 24'.

CYLINDER SPEEDS from 300 to 1200 r.p.m. 9-FOOT HEADER for grain, seed and beans.

UNI-HUSKER has 4 snapping rolls 53 1/2" long, 8, 36" husking rolls, 4 of rubber and 4 of steel. FULL LENGTH husking riddle, adjustable snouts, large capacity corn saver, cleaning fan.

UNI-TRACTOR is powered by a 4-cylinder, 38 h.p., V-type engine that includes many of the superior features that have made MM R and Z Tractors famous for low cost operation and dependable performance.

Come in and get the farm profit facts of this new MM UNI-HARVESTOR.

Minneapolis Moline Dealer, Mokena, Illinois

By Alan Zechlin
Frankfort Public School
Viola Lankenau, Teacher
"Occasionally a man rises to fame who is typically American that we cannot see how he could have been born in any other land. The victorious military career of General Dwight David Eisenhower, from the first dark days of the African Invasion to the final collapse of Hitler's armies, is well known to every American school boy."

Dwight David Eisenhower was born October 14, 1889 in Denison, Texas, the third of seven sons born to Mr. and Mrs. David Eisenhower. Though they were poor in money, the Eisenhowers were rich in faith. The elder Eisenhowers were members of the Mennonite sect known as Brethren in Christ. When they returned to Abilene when Dwight was two years old he worked hard like most boys in sports than in studies. At 20 a friend persuaded him to try for Annapolis. He went to Topeka to take the entrance exams, he also took exams for West Point. To his surprise he was first in the naval academy and second in those for West Point.

It turned out he was two months too old for Annapolis but not too old for West Point. The man who scored highest for West Point couldn't accept his appointment so Dwight went in his place. Eisenhower graduated in 1915. His first post was the 19th Infantry at Fort Sam Houston, Texas. It was there at a party that he met Mamie Geneva Doud. They were married in Denver, Mamie's home town, June 1, 1916.

With the outbreak of World War II, Dwight D. Eisenhower climbed with dizzy speed from Colonel to five star general in 4 years, but never saw battle till World War II. Meanwhile personal tragedy struck. His first son, Dwight Doud was born in 1917 and in 1920 died of scarlet fever. His second son, John Sheldon Doud Eisenhower was born in 1923.

Late in 1941 he won the attention of Washington. Seven days after Pearl Harbor Eisenhower was summoned to the capital by General George C. Marshall. In February 1942 he was made head of the war planning division.

The tide in World War II began to turn against Hitler and Mussolini in the fall of 1942. A huge force was commanded by a man who never before had led men into battle, Lieut. Gen. Dwight D. Eisenhower. In 1918 the Nazis were licked in North Africa. Later his forces invaded Sicily. President Roosevelt appointed Gen. Eisenhower as supreme commander of Allied Expeditionary Forces for the invasion of Europe which ended in a schoolhouse at Rheims where Eisenhower accepted the unconditional surrender of Germany.

In all, General Eisenhower received 50 U. S. and foreign decorations, 19 honorary degrees and 20 assorted medals, swords, awards etc. Later that month he was feted in Moscow and greeted Stalin. After trying to deal with the Soviets as Chief of U. S. occupation forces in Germany he gave this formula for getting along with Russia: "Firmness, Patience, a sense of humor, and keep your powder dry."

What every new car buyer should know

1. Know the delivery price of your car—fully equipped.
2. Know the amount of your down-payment—including tax "break-in."
3. Know the amount of your unpaid balance.
4. Know the amount of your finance charge.
5. Know the amount of insurance premium—and the details of your protection.

A good many new car buyers have saved money—often substantial sums—through the State Farm Plan. There are 2 advantages:

1. On financing through a local bank.
2. On insurance through State Farm.

Let us give you the facts before you buy your next car.

MIDGET AUTO RACE SATURDAY IN JOLIET

Joliet Memorial stadium's quarter mile clay oval, soaked by rain over the past two week ends, has been worked into condition again this week in preparation for the delayed midget auto racing season opener Saturday night.

Originally scheduled to get underway two weeks ago, the speedway programs twice have been halted by rain Friday and Saturday, which left the track in a soggy condition. The unfavorable weather parallels that of last year, when four early season dates were cancelled for the same reason.

If the show is rained out this week, it will be run Sunday night. Previously no rain date was available.

If the 1952 season was any indication, the point standings this year could be dominated by Chicago drivers, six of whom ranked immediately behind track champion Ken Rubright of Lyons, Ill. By the time he will return to competition this year—Tony Lenti, Earl Iverson, Larry Johnson, Ralph Stuber and Johnnie Meyers. Only Pete Peterson the No. 2 ranking pilot, is not expected to drive.

The top local talent was Ray Elliott of Lockport, who finished 10th in the field of 50. Other Joliet area drivers who will try for a higher berth this season include Sonny Bessette of Joliet, who finished 13th last year; Tony Saylor of Joliet, 16th; Corky Singer, Joliet, 25th; Norm Legner, Joliet, 27th; and Joe Birsa, Rockdale, 35th.

On the program are four 10 lap heat races, a six lap trophy dash, 15 lap semi-feature and 25 lap feature. Time trials start at 7:30 p.m. and the first race at 8:30 o'clock.

Tinley Park Small Fry Win First Two League Starts

Tinley's opening home game with Beecher which was rained out Monday, June 8 and rescheduled for Wednesday, June 10 was rained out again.

They finally played at Steger, Friday night in a free hitting game, 11-7. Hug, Eggert and Blount each collected two hits apiece to lead the hitting attack. Hug doubled with one out in the first inning and Eggert singled him home before the side was retired, one run on two hits.

In the second inning Parmer and Blount singled, Hartman, Propp and Hug walked, forcing in two runs. Miller was safe on a fielder's choice and Eggert walked, accounting for two more. Meyer singled to bring in the last run of the inning. Five runs on three hits.

Tinley had a short lived six run lead. Two bases on balls one error, coupled with four hits for Steger in their half of the second to tie the score.

Things were quiet until the fifth inning when Blount opened with a single, Hartman and Siemen walked filling the bases, Hug singled scoring Blount. With bases full, Miller tripled scoring three more runs. Eggert tripled scoring Miller, and Parmer walked before the side was retired.

retired. Five runs on four hits. Steger collected one run on two walks, an error and a fielder's choice in the last half of the sixth inning.

Strike outs, Miller, Collins 8. Hug 5, Propp 2.
Bases on balls, Collins 9, Hug 4, Propp 2.

Manhattan-Tinley Park

Monday, June 15, Manhattan came to Tinley Park romped off with an easy 7-2 win. This is Manhattan's first year in the league and what they lack in experience is to some extent offset by the enthusiastic support of their home town following.

In Tinley's half of the third inning two errors and a base on balls followed by Eggert's triple netted three runs. Eggert then scored on an error. Four runs on one hit. Hug and Miller singled in the fourth inning, but died on base.

In Manhattan's half of the fifth, two hits coupled with two bases on balls, furnished them with their only two runs. Meyer opened the fifth inning for Tinley with a triple, Parmer was hit by a pitched ball and Hartman singled scoring Meyer. Propp and Bettenhausen walked to load the bases and Hug singled, scoring Parmer and Hartman, before the inning ended. Three runs on three hits. Manhattan failed to score in the 6th.

Comments From The Bench

By Ruth and Ruth
Here's another team to add to the ever growing baseball list. The Girls' Softball team of Frankfort started its season with a triumph over the Homer team.

Thursday evening the game got under way promptly at 6:30 at the Lockport Athletic field with J. Phillips doing the pitching while J. McLain did the catching for the opposition. The fast windmill pitching of Arleen Borms baffled many a batter as she pegged them in to Carole Peterson for the Frankfort girls.

Not being too sure of themselves, the girls started out a bit jumpy, but after one inning, they settled down; but only after Homer had tallied one run.

Frankfort girls really dug in, scoring two runs in the second inning and took over the lead, never to relinquish it.

Homer scored in the 3rd and 5th innings, while Frankfort scored one each in the 4th, 5th and 6th, and two in the 7th on the slugging of Carole Peterson, Anna Mae Lackner, Laverla Mackey and Inez Reiter. Several tallies were made possible by the base stealing of the whole team, even though they were almost shoved off first base by their ever-prodding coach, Reuben Borms.

The three basemen, Jean Lentz, Barbara Hauser, and Irene Benck, at first, second and third respectively, displayed their skill in spectacular catches although Barbara Hauser had to go through acrobatics to accomplish some.

In the 7th inning Homer called in pitcher T. Matasy, who retired the side. In the last of the 7th, the Homer girls tried hard. With one out, J. Grant and J. Reiter got on with base hits and scored on overthrows, but that was the end of the rally. The next two batters went down swinging.

Thus ended the game at 8:10 with the Frankfort girls on top 7 to 5.

This is how your reporters, Ruth Minger and Ruth Schaper, saw it and reported it in our "Comments From the Bench."

Snip N' Snack

The Green Garden Snip N' Snack 4H club met at Green Garden town hall June 4. The president Mariene Schiesow, opened the meeting by appointing Barbara Smego to lead the pledge to the flags. After the pledges, a short program followed.

There were health talks, readings, demonstrations and illustrated talks by members of the club which were not only interesting but instructive. The club will meet again today, June 18.

The Greatest Business Monopoly

Representative Coudert of New York will ask the present Congress to investigate the possibility of returning more than 100 erment activities today represent the "greatest business monopoly outside the Soviet Union", aial enterprises, with an estimated value of \$20,000,000,000, to private ownership.

He declared that certain gov-and that the purpose of his resolution is to attempt to "call a halt to continuing nationalization or socialization of American enter-government operated commerce".

He cited a request of the chairman of the Tennessee Valley Authority for an additional \$5,000,000,000 to increase its plant, and added, "No private enterprise can waly into the Treasury of the United States to finance itself in this easy fashion."

Mr. Coudert's ideas seem to be similar to those of former mobilization director Charles E. Wilson, who proposed some months ago that government enterprises be taken over by a corporation in which the people could buy shares. Regardless of the method followed, here is one way that the national debt can be reduced by billions, and the drain on the Treasury these socialistic tax-free enterprises continually impose can be eliminated. Moreover once they were owned and operated by private enterprise, they would go back on the tax rolls, to the direct benefit of every taxpayer in the country.

Probably the most flagrant example of destructive and unnecessary socialism has been in the government electric power plants. In every case, the service would have been provided by heavily-taxed, publicly-regulated utility companies. There has never been a demand for power so great that private enterprise could not provide the facilities to meet it. Furthermore, government in business, any business, is socialism, and socialism is the enemy of freedom and true progress. Mr. Coudert and Mr. Wilson have the right idea and Congress should act on it.

TINLEY PARK

Tel. 2-4728

The Intermediate MYF of the Tinley Park Methodist church concluded the year's activities with a picnic at Thornton woods June 9. Twenty seven members and their Counselor, Ken Webster, left by bus at noon, and returned at 5:00 p. m. They took their lunch, with pop furnished later in the afternoon. Games provided an entertaining day for the young people.

Mrs. Carrie Elder of Cloverport Ky., mother of Mrs. James English has been spending several days with her daughter, as was Miss Betty Farish of New Albany, Ind., a friend of the English family.

Mr. and Mrs. Harry Bettenhausen of Beverly Hills, Calif. have been visiting friends and relatives in and around Tinley Park over the weekend.

Mrs. Fred Willman arrived home Friday following a three-week trip which took her to Sherman, Texas to visit her son, Airman 1c Al E. Willman and family. She also spent some time at Hot Springs, Ark. and took advantage of the "hot baths" in an attempt to alleviate some of the muscular pain she has been having. Enroute home she stopped at Fort Worth Little Rock and St. Louis to visit friends.

Mrs. Edith Arnold left Wednesday for Morehead City, N. C. to visit the Ralph Curtis and to help care for the new baby. Mr. and Mrs. Christ Steinhagen left Monday morning by car, going south, and will stop at Morehead City on their way back to pick up Mrs. Arnold.

They expect to be gone about 10 days.

The monthly meeting of the Tinley Hustlers 4H club was held at the home of Earle Bettenhausen June 8. Plans are being made to tour the stockyards and to have a weiner roast. Refreshments were served by Mrs. Bettenhausen.

The infant daughter of Mr. and Mrs. Henry Siebrandt, who was born May 9, was baptized Sunday, June 14 in the Trinity Lutheran church with the pastor, Rev. C. Hoeh officiating. The name given was Cathy Elizabeth. Sponsors were Mrs. Louise Graves and Leonard Rothberg, Jr.

A boy was born to Mr. and Mrs. Lawrence Brown, Tuesday June 9 in St. James hospital Chicago Heights. Gregory Alan weighed 7 lbs. 6 oz.

Vicki Ann is the name which has been given to the new daughter of the Louis Bockstahlers, who arrived Friday, June 5, in the Ingalls Memorial hospital. She weighed 8 lbs. 10 oz. Her 3 year old brother Bobby is happy to have a new playmate.

Mr. and Mrs. James Harcourt and friends, Mr. and Mrs. Henry Schulze, of Chicago, left June 17, on a vacation trip. They planned to visit the Schulze's granddaughter in Oklahoma, and also a nephew and family, Mr. and Mrs. Erwin Grunst, in Albuquerque, N. M. who formerly lived in Tinley Park.

Mr. and Mrs. Melvin Harcourt are temporarily residing with his parents, Mr. and Mrs. Jas. Harcourt.

Mrs. Frank Baldwin has just returned from Ottawa, where she was called by the death of her brother, Adelbert Blackburn.

A luncheon was given by several friends of Mrs. Fred Nitsche in honor of her birthday Thursday noon at her home. Bunco was played and everyone received a gift.

The next Home Bureau meeting will be Wednesday, June 24 at 7:30 o'clock p.m. in the home of Mrs. James Rizzuti, on 167th street. The lesson, "Laundry Supplies" will be presented by Mrs. Bert Holup and Mrs. Edgar James. Guests are welcome.

Pvt. Paul Jeffords arrived home June 8, on a 14 day furlough. He returns to Camp Carson, Colo.

Mr. and Mrs. Dean Schultz, of Calumet City and Richard Nitsche and daughter Jean of Orland Park were dinner guests Sunday of Mr. and Mrs. Fred Nitsche.

The P. L. Jochums attended the Rose show at the Blue Island high school Sunday, sponsored by the Chicago Regional Rose society of district 3.

Richard D. Chant of Oak Park ave., and Jim Gross of Lockwood ave., left for military service on June 12.

The Busy Beavers 4-H club met June 17 in the home of Mary Lou Connelly. New officers are: Mary Lou Connelly, president; Peggy Gallagher, vice president; Diane Cupp, secretary; Patsy Cupp, treasurer; Patsy Schwartz, Jeanette Rizzuti and Betty Bilskey, telephone committee.

Mr. and Mrs. Joseph F. Gross entertained at a farewell dinner June 7 for their son Jim. Guests who wished Jim good luck were Mr. and Mrs. J. Gross, Sr., Mr. and Mrs. Kenneth Schmudde and family; Mr. and Mrs. Edward Ebeling, Mr. and Mrs. Edward Schmudde and Mr. and Mrs. James L. Alexander all of Chicago.

Bernice Bettenhausen recently flew to Pomona, Calif., where she spent a week with former Tinley friends. She stayed at the home of Mr. and Mrs. Robt. Gast; also saw the Carl Bockstahlers, Carl Smiths and Charles Samuels. These former Tinley people all live near each other. They have oranges, grape fruit and avocados growing in their back yards. Bernice attended a church affair while there and saw several movie stars among whom were Marie Wilson and Jeanne Crain.

Mr. and Mrs. Jack Birmingham and children returned Saturday from a week's visit with the latter's parents in Birmingham, Ala. They also visited Dr. Faruki and family in Georgia where he is stationed.

Pat Bagby, a school teacher in Caracas, Venezuela, is spending her vacation here with her parents, Mr. and Mrs. Raleigh Bagby.

Mr. and Mrs. Phillips of Savre avenue are announcing the birth of a son, Bruce, born June 14 in St. James hospital in Chicago Heights.

Closing exercises will be held

for the daily vacation bible school of the Methodist church Friday evening June 19 at 7:30 P. M. in the church. All hand work will be displayed and certificates and awards will be given.

Mr. and Mrs. Ronald Crisman

on West Circle Drive, entertained

a large group of relatives,

friends and neighbors at a buffet

supper Sunday. Guests were

Mr. and Mrs. Marcel Halik and

daughter, Millicent and Mr. and

Mrs. Paul Korsgaard and son

Donald and Grandma Korsgaard of Lincolnwood Hills. Mr. and Mrs. William Collatz, Mr. and Mrs. Robert Stockley, Mr. and Mrs. Roy Garman, Mr. and Mrs. Joe Ingram, Mr. and Mrs. Lyle Beades, Mr. and Mrs. Harvey Frick and daughter, Joyce, and Mr. and Mrs. James Brooks, all of New Lenox; Miss Nielson Mrs. Nielson and Mrs. N. McGinnis of Mokena. From Chicago, Mr. and Mrs. A. Wagner, Miss Florence Black, Mr. and Mrs. Orval Gerlot, Mr. and Mrs. Henry Watson, and Miss Barbara Knutson, Mr. and Mrs. P. Christensen, Mr. and Mrs. E. Frish and family, Mr. and Mrs. Finn Johnson, also Mr. and Mrs. W. T. Crisman, Miss Beth Uphouse and Mrs. Mable Bard, of Oak Park, Mr. and Mrs. W. T. Crisman Jr. and family of Oak Lawn, and Mr. and Mrs. Ferran and family of Evergreen Park.

A delicious buffet supper was served in exquisite style. The Crismans received many lovely gifts.

Mr. and Mrs. E. Cerovac have become the parents of a baby boy, born May 31 at the St. Joseph's hospital in Joliet. He weighed 6 pounds 15 ounces and has been named Michael Don. Congratulations to the Cerovacs.

Mr. and Mrs. Donn Wescott and their three sons Ronald 4 years, Donn Jr. age 2 and Steven, age 1 year, have moved into their new home at the corner of Arrowhead and Potomac drive. Mr. Wescott is an employee of the Rock Island railroad. They recently lived in Chicago. Welcome to Lincolnwood Hills.

Mr. and Mrs. P. Cullen entertained her parents, Mr. and Mrs. F. Hartie of Evergreen Park, Sunday, June 14.

Mr. and Mrs. Wm. Malloy entertained Mr. and Mrs. Wm. Simmons and family and Mr. and Mrs. L. Dziz from Chicago Sunday June 14.

Mr. and Mrs. E. Meyers entertained her aunt and uncle Mr. and Mrs. C. Husum June 12. Mr. and Mrs. Husum have just returned from a month's vacation in Florida. Also the L. Shaner family who recently moved from the Lincoln House to Monee, visited Sunday afternoon with Meyers.

Mr. and Mrs. Marcel Halik celebrated their 13th wedding anniversary June 15. A few friends and neighbors dropped in to wish them well. Light refreshments were served.

Mr. and Mrs. Roman Nowicki entertained Mr. and Mrs. Bud O'Brien and children of Lyons, Sunday.

Mr. and Mrs. Erwin Urhamer are spending part of their vacation motoring to Texas to visit relatives.

The women gave the men another canasta lesson Saturday night at Malloys. When are we going to get some competition fellows?

The Ben Wahls on West Circle drive have started to build on the addition to their home. We are all wishing for good weather for your sake Helen and Ben.

Mrs. Rose Rabiega and son Lawrence and daughter Ann drove to Chicago Monday and had dinner with her daughter and son in law, Mr. and Mrs. Edward Starsine.

Mr. and Mrs. E. Katzel and son Louis of Forest Park, cousins to Walter Thode visited here Friday evening with the Thode family.

Mr. and Mrs. Edward Newhouse of Melrose Park visited with her sister, Mrs. Walter Thode and family Sunday afternoon.

On the 22nd and 23rd of June the Mobile unit for Chest x-ray will be stationed in New Lenox at the parking lot at the corner of Cedar Road and Lincoln highway. This chest x-ray is free to everyone and the people in charge have tried to arrange the hours so that everyone can take advantage of this service. The hours will be from 1:00 o'clock to 5:00 o'clock in the afternoon and 6:00 to 9:00 o'clock in the evening. A member of the committee will undoubtedly call you on the phone to remind you of the date and hours and answer any questions you may care to ask. The residents of Lincolnwood may call Mrs. Halik, Mrs. Korsgaard and Mrs. Owen for additional information. We urge everyone to take advantage of this free x-ray. Don't forget the dates June 22nd and 23rd.

Mr. and Mrs. U. S. Madden and Elizabeth attended the horse show at Hinsdale Sunday afternoon.

IN MEMORIAM

WANNEMACHER, Florence—In loving memory of our dear mother who passed away one year ago June 15. Beautiful memories of mother, so dear. But with each memory a heart-ache and tear. Always so kind, good and true. It was hard to part with a mother like you. Safe beyond all grief and care. Our mother rests in heavenly peace. God grant some day we will meet her there.

CHILDREN

Wayne Fant of Trockmorton, Texas, spent last week with his brother and family, Mr. and Mrs. Durward Fant. The Evening circle of the WSCS of the Methodist church met Friday evening with Mrs. Fred Ricketts with 10 members present. Following the program and discussion, refreshments were served. The next meeting will be Friday evening July 10 at the home of Mrs. Ramon Westlund.

A son was born in Silver Cross hospital Wednesday, June 10 to Mr. and Mrs. John Cooper. The baby has been named John Michael and weighed 9 pounds. He and his mother, the former Marcia Larson, returned home Sunday.

Mr. and Mrs. Vernon Bormet entertained at a family gathering in their home Sunday to honor the 74th birthday of her father, George Koche of Frankfort. A ham dinner was served to 40 relatives who came from Indiana, Monee, Frankfort and Joliet. A lovely birthday cake featured the dinner.

Mr. and Mrs. Duane Smith and family of Hometown, Chicago, were guests Sunday of Mr. and Mrs. George Duvlin.

Mr. and Mrs. Dave McMillan entertained in their home after graduation exercises at the Joliet Township high school last Wednesday in honor of their niece, Miss Dolores Cooper, a member of the graduating class. Guests were Mr. and Mrs. Elmer Cooper, Mr. and Mrs. Hugo Niehammer, Mr. and Mrs. Donald Reiter, Mr. and Mrs. Albert Cappel, Mr. and Mrs. Harold Cooper, and Marilyn, Miss Pat Perley and Will Barenz.

Mr. and Mrs. Fred Shiek of Joliet, were callers in the Hugh Deamro home last Thursday. Mrs. Alma Hauck, who has been living in the home of her daughter and son since her fall last November, has returned to her home here.

Mrs. Margaret Semmler and her sister Mrs. Emilie Campbell of Seattle, Wash., their brother Theodore Oestreich of Joliet, motored to Indiana Saturday where they visited relatives at Fowler and Frankfort. They returned Sunday afternoon.

Miss Ursula Thiel, who became the bride of Robert Whiteside on June 12, was honored at a personal shower June 7 at the home of Miss Anita Geuther. The honored guest was presented with a corsage of pink roses. The table was centered with a miniature bride with the chosen colors of green and yellow predominating. Games were played and prizes were won by Mrs. C. W. Whiteside, Miss Juanita Brueser and Miss Jackie Hynes. The bride elect received duplicate prizes. Dessert-coffee was served.

Guests were Mrs. C. W. Whiteside, Mrs. Ludwig Thiel, Mrs. Esther Fields Davies, Mrs. Eugene Bogdan, Mrs. Lloyd Tomany, Mrs. Robert Geuther, Miss Juanita Brueser, Miss Dorothy Kohl, Miss Patricia Whiteside, Miss Jackie Hynes, Miss Bobbe Schubert.

Mrs. G. Cudsworth Made President of Scientist Church

The practical value of spiritual understanding in daily life was the keynote as more than 7,500 Christian Scientists from throughout the world met June 8 for the annual meeting of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

A special message from The Christian Science board of directors told the gathering that materialism not only is being challenged, but is yielding increasingly to the impact of spiritual enlightenment.

Bearing witness to this were incidents of Christian Science healing read at the meeting which included total recovery from a severe case of poliomyelitis, abdominal cancer, rheumatic fever and rheumatic heart diagnosed as incurable, dislocated hips thought beyond recovery and accident injuries pronounced fatal.

Through prayerful living of pure Christianity, the Directors said, "painless progress can be made by the individual and by humanity as a whole."

Named president of The Mother Church for the coming year was Mrs. Grace F. Cudworth of Boston, a Christian Science practitioner active in the healing work of the denomination for almost 50 years. Her term of office is for one year.

She is a native of Marquette, Mich., and grew up in Superior, Wis., where she attended local schools and graduated from the State Teachers' college. She has been a resident of Boston since 1909.

Mrs. Cudworth has served the

denomination in a variety of posts, including Superintendent of the Sunday school of The Mother Church, as Christian Science Wartime Worker at the Portsmouth, N. H., Naval Prison and as Second reader for services held at the Christian Science Benevolent Association sanatorium at Chestnut Hill, Mass.

The inseparability of Christianity and healing was emphasized by Mrs. Cudworth, who said, "The true nature of church becomes evident in our experience through our understanding and demonstration of the healing power" of pure Christianity.

Reports on the world-wide activities of the denomination, which has branches throughout the United States and in some 40 other countries, were made by key officials.

Expenditure of approximately one million dollars for charitable purposes during the year was reported by Roy Garrett Watson treasurer. He added

that individual Christian Scientists voluntarily contributed more than \$70,000 for flood relief in Europe, and that The Mother Church received over one million dollars in gifts from members and friends.

Strengthening of the denomination's work with young people was reported in several fields. Establishment of a division of college organization activities was announced by Theodore E. Metzner, manager, Department of Branches and Practitioners. The new division is headed by a former Christian Science Navy chaplain, Joseph G. Heard of Miami, Fla.

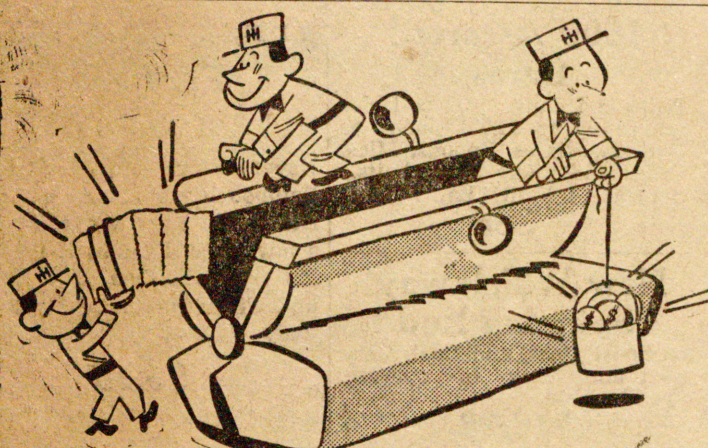

The Camp Welfare department announced the opening of a British branch to serve Christian Scientists stationed with the armed forces in Hong Kong, Malaya, Singapore, Egypt, Gibraltar, and other points. More than 400 civilian workers are ministering to hospitalized veterans and members of the armed forces. Fourteen Christian Science chaplains—three of

them in Korea—are on active duty with troops.

Officials announced that 34 new branches of The Mother Church were established during the year. They included branches in Casablanca, Morocco; Appeldoorn, the Netherlands and several in Germany. Christian Science lectures toured many

parts of the world, including Korea.

New translations of certain of the writings of Mary Baker Eddy, the discoverer and founder of Christian Science, into Swedish, Dutch, Greek, and Russian, were announced by the trustees under her will, who reported a year of "outstanding activity."

Save Hay and Dollars with IH 5-STAR Baler Inspection

Plunger fit inspection

Our skilled servicemen inspect the bale chamber, face blocks, and plunger for proper clearance and free, accurate movement. They also check the plunger knife and shear blade, tell you what is needed for "good-as-new" performance.

Knotter adjustment

We inspect pinions and cams, knotter hook, trip release arm, miter gears, and other working parts, to catch knotter troubles while they're still little.

A baler check-up today can head off hay-wasting field delays later. Put our IH 5-Star baler experts on your hay production team. See us for our scheduled inspection and service.

Orland Park 211W

CARD OF THANKS

We wish to thank our neighbors and friends for their sympathy and kindness shown us during our recent bereavement; also our sincere thanks to the volunteer firemen.

JOHN and VERA
HUTCHINSON

CARD OF THANKS

I wish to express my thanks to all friends and neighbors who sent cards, plants and gifts to me while I was a patient in the hospital and also for their kindness shown me on my return home.

MRS. HARRY HEITING

Mr. and Mrs. Franklin Kruspe are the parents of a baby boy born Wednesday, June 10 in Silver Cross hospital, Joliet. The baby weighed 6 lbs. 10 oz. and has been named Roger Alan. Mother and son are doing fine.

It's a girl for the Edward Manning, Jr. born Friday, June 12 in the Women's and Children's hospital in Chicago. She weighed 6 lbs. 15 oz. and has been named Grace Helen. Mother and daughter are doing well.

Mrs. Gustie Hallinan is a patient in the Passavant hospital to undergo surgery. She has been suffering with a facial nerve condition.

Mrs. Jerry Conover entered the Little Company of Mary hospital Monday, where she expects to undergo surgery.

Mr. and Mrs. S. A. Hiatt of San Diego, Cal. were guests the past week of Mr. and Mrs. Forrest Miller, Sr. Mrs. Hiatt is a sister of Mr. Miller.

Mrs. Alma Morgan and Mrs. Sarah Fredrickson of Chicago were Sunday guests of Mr. and Mrs. Forrest Miller, Sr.

Arthur Creer is home for the summer vacation from Northwestern University.

Sunday guests of Mr. and Mrs. Clarence Creer were Mr. and Mrs. Archie Gainey and daughters and Arthur Allen of Glenview. The out of town guests along with Mr. Edgar Cooper, Mrs. James Creer, Arthur Creer, Owen Creer, daughter Carol and son Owen enjoyed a picnic supper on the lawn.

Mrs. Herman Uthe, Mrs. Herman Nicolai, Mrs. Robert Horn and Mrs. Sherman Knox attended a luncheon Wednesday afternoon, June 10 at the Zon Lutheran church in Tinley Park. Mrs. Lena Schanz was in charge of the luncheon. The purpose was to raise money for the flower fund.

Mr. and Mrs. Eleanor Meyers and baby Karen enjoyed a few days vacation with her parents and sisters. She also attended the annual Silver Cross Nurses alumni banquet.

Mr. and Mrs. Harold Morloch Sr. celebrated their 34th wedding anniversary in their home Saturday. Their son Lt. Harold Morloch, Jr. surprised them by flying home for the occasion from Norfolk, Va. Other guests were Mr. and Mrs. Jack Lindgren, Mr. and Mrs. Lester Shackle, Margie, John and Virginia of Chicago; Mr. and Mrs. Louis Sievers and son of Evergreen Park and Mr. and Mrs. Fred Falkowski and family of Orland Park.

Jimmy Yunker, son of Mr. and Mrs. Milton Yunker is a patient in the Little Company of Mary hospital where he underwent surgery.

Last Thursday afternoon and evening, Mr. and Mrs. Roy Loebe entertained Jim Miyai and Mike Matsuki, two international exchange students from Yokohama, Japan who are studying at the University of Chicago. They left for Japan Sunday, and stopped in Orland to bid the Loebe's goodbye. A year ago they were guests of the Loebe's and had corresponded with them during the year.

The WSCS of the Orland Park Methodist church will meet at the home of Mrs. Virgil Henry, Thursday, June 25 for an all day session. A potluck picnic luncheon will be served at noon weather permitting, out doors. All members are urged to attend, visitors most welcome. The regular business session will be held at 2:00 p.m.

Paul Mell, Richard Farr Jr. and Richard Farr, Sr. were at Camp Betz, Mich. to be initiated into the Order of the Arrow for the boy scouts. As this is quite a rigid initiation, and being that Ronnie Creer had passed this ordeal last year, he accompanied the boys just for fun.

Leo Kardeck of Palos Heights son-in-law of Mr. and Mrs. Ray Robson of Orland Park, met with an accident at work about 2 weeks ago. He fell off a roof he was roofing and suffered a second degree burn from the hot asphalt which spilled over him in the fall. He was taken to a hospital in Lake Forest for treatment and is now home and convalescing nicely.

Sgt. Pat Deasey, who is stationed at Lubbock, Texas, is enjoying a 30 day furlough. He and his wife are visiting his parents, Mr. and Mrs. Ray Schilling at Frankfort and relatives and friends in Orland Park.

Mr. and Mrs. Edward Mell entertained at a party in honor of their son Warren who graduated from the Orland Community high school. Guests were: his maternal grandparents, Mr. and Mrs. Paul DeLappe of Elkhorn, Wis., his paternal grandfather, Elmer Mell and uncle, Elmer Mell of Downers Grove. Mrs. G. A. DeLappe of Salem, Wis., Mr. and Mrs. Don DeLappe and children of Mauston, Wis., Mr. and Mrs. R. M. Murphy and children of Lockport, and Mr. and Mrs. Geo. Durst of Orland Park. The out of town guests stayed for several days.

HOMER

Lockport, R. 1
Telephone Lockport 1387M

Nearly 50 young people, ranging in age from 4 to 16, are enrolled at the D.V.B.S. at Homer church. The school is being directed by Mrs. Iola Storm of Lockport. Other teachers are Mrs. H. V. Drewes and Mrs. Ira Anderson and able assistants are Mrs. Michael Roberts, Mrs. Charles Ingram, Miss Rita Rodgers, Miss Mary Buck and Mrs. Elliot. Helping with the transportation are Mrs. F. J. Paddock, Mrs. Robert Shepherd and Mrs. Reed Burch. On Sunday, June 21, the school will conduct the service at 10 a.m. taking the place of the Sunday school and worship services for that day. Some of the children's work will be displayed at that time. Wednesday, June 24, at the First Congregational church in Lockport, there will be a luncheon and auction for the benefit of the Louise Meebold fund, beginning at 10 a.m. The affair will be sponsored by the Aurora Association of Congregational-Christian churches; this is the

same group who so liberally assisted the Homer church building fund with an auction at Naperville last year. Every woman interested in church work is asked to contribute to the auction and to attend the luncheon if possible. Reservations should be made with Verna Wilker or Evelyn Depa by June 22. Miss Meebold is the missionary in the East Caroline Is., who is sponsored by the Aurora association.

The Missionary society will be entertained in the West-Jensen home Thursday, June 5. Pot luck dinner will be served at 12:30.

Mrs. Anna Welter was the honored guest at two birthday celebrations in the John Donahue home recently. The first was a family dinner which included as guests, Mrs. Welter's children and grandchildren and the second was a afternoon party when about a dozen women of the family gathered to enjoy luncheon and festive refreshments.

Mrs. C. G. Rowley attended a shower given in honor of her granddaughter, Francis Ott, at the home of Mr. and Mrs. Edward Ott in Lockport, Friday evening. Miss Ott will be a late June bride.

Otto Konow and Christel Koehler enjoyed a fishing trip to northern Michigan recently.

Owen Rowley of Texas spent Tuesday and Wednesday in the home of his parents, Mr. and Mrs. Willard G. Rowley, having been called here by the death of his grandmother, Mrs. Helen Rowley.

Mr. and Mrs. Willard G. Rowley of Princeton spent several days of the past week with relatives here.

Mr. and Mrs. Laverne Kasper, daughter Beverley, arrived here Thursday evening from Phoenix, Ariz., to spend the summer with relatives.

Lewis Barr and Donnie Cagwin left Friday for a week's vacation in northern Wisconsin.

Rev. Jack Sandford supplied the Homer church pulpit Sunday morning as he expects to do on June 28 and July 5. Because of ill health he is not calling himself a candidate now but may be one later if his health improves. He was entertained at dinner in the Reed Burch home Sunday.

Beverly Roberts of Iowa is the guest of her uncle and aunt, Mr. and Mrs. William Roberts.

George Ott, who is seriously ill in Silver Cross hospital, is reported slightly improved at this writing.

Norton Rowley of Canada, a former resident visited in the home of his sister, Mrs. Wilbur Francis, Sr., for a few hours Saturday. He was enroute home after serving in Detroit on a business trip. He formerly lived where the Gus Terumede family now live.

Mary Ann Filipowicz was a medical patient in Silver Cross hospital for several days last week. She has recovered.

The CAC enjoyed a picnic supper at Messenger Woodlands Sunday evening. The Good Luck camp of Royal Neighbors will meet in the town hall Thursday afternoon of this week, June 18. Hostesses are Mesdames Anna Welter, Burnett Donahue, Lulu Parker and Miss Ida Harrington.

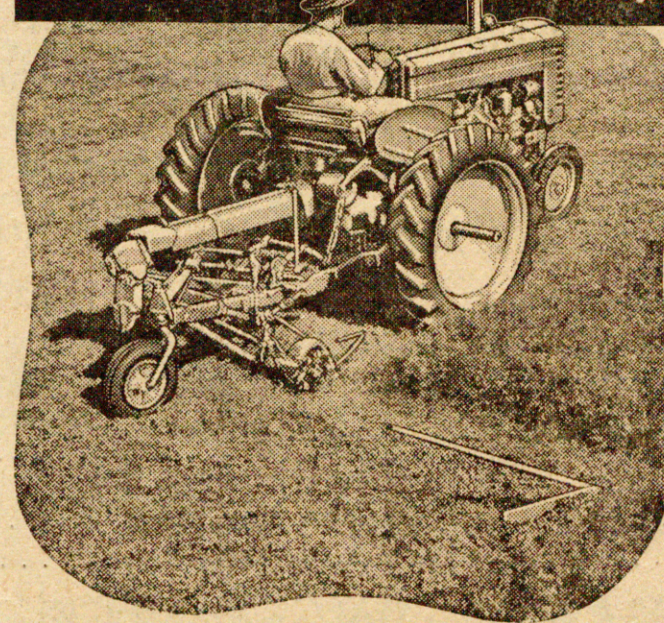

Dinner guests in the Clarence Weis home Sunday were Mr. and Mrs. Edward Zagar and children of Chicago, and Mr. and Mrs. Walter Knowow of here.

Anti-Rabies Clinic
Dr. Ignire will be at Bump's service station the evening of June 25 beginning at 7 o'clock to vaccinate dogs against rabies.

Telephone friends aid polio victim

Finish work on home when illness strikes

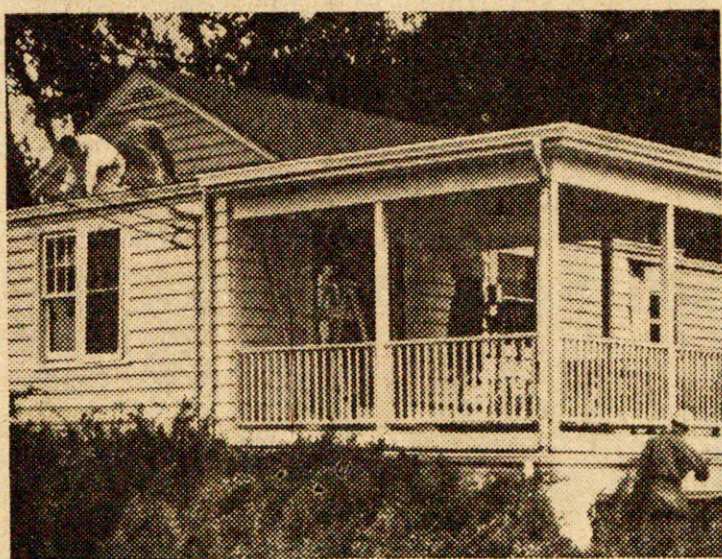

Scott Smith and his family will never forget that Saturday morning after Labor Day when a 13-car caravan rolled to a stop in front of their home.

Out stepped 18 men—telephone men from ten communities, some as far as 70 miles away. But theirs wasn't telephone work.

Converging on the house, they went to work with paint brushes, hammers, muscles and good will. Scotty, a fellow worker at Illinois Bell, had been rushed to the hospital with polio a few weeks before. Besides an unfinished new roof, there were other tasks around the house that had to be postponed—all too heavy for Mrs. Smith and the three youngsters, aged 7, 6 and 5, to handle.

Scotty's telephone friends got busy. "Scotty's sick, let's give him a hand." Over the telephone they organized a rescue squad. Meanwhile, another group, Scotty's neighbors in Tower Lake, had the same idea. A week after polio hit him, they gave the house a full coat of paint.

On that Saturday after Labor Day, the 18-man telephone team moved into action. Before they were through, they had finished the roof, given the garage a double paint job, painted the screens, washed the kitchen walls and ceiling, mowed the lawn—even waxed the car.

Polio had stopped all Scott Smith's projects on his Tower Lake home. But his telephone friends took over—organized an 18-man "paint brush and hammer team"—finished the new roof and painted the trim and garage.

Best of all, just released from the hospital, Scotty was up for "his" day. On crutches, he watched "Operation Smith House" with his wife and the three youngsters.

There are a lot of things that make Illinois Bell "a good place to work." To mention a few, good wages, sickness and disability benefits, promotions from within the ranks, regular salary increases and a liberal pension plan.

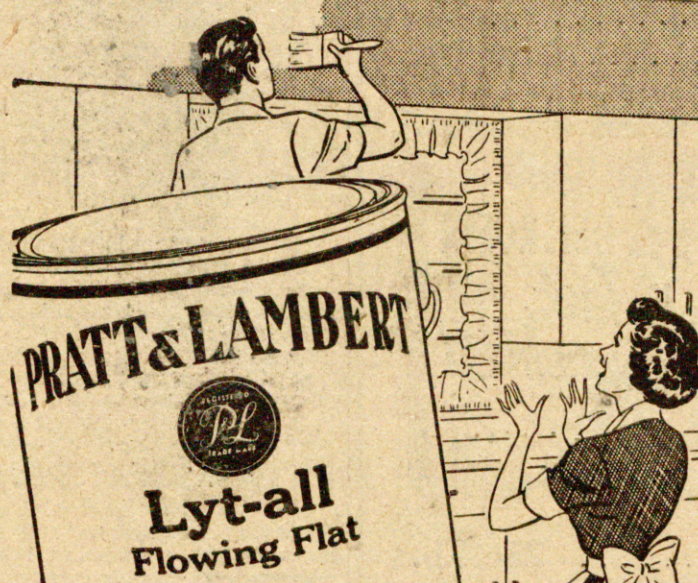

These are all important, but just as important in any job are the people around you. In the telephone company, you work with helpful, friendly men and women—typified by this 18-man crew which rallied to help Scott Smith and his family in time of need. Illinois Bell Telephone Company.

GOOD JOBS ATTRACT GOOD PEOPLE

When the people who work for a company recommend it to their relatives as a good place to work, you can be pretty sure that it is!

About 5,500 Illinois Bell people have "kinkfolk" in the telephone business—sons, daughters, brothers, sisters or other relatives. That's a pretty sure sign that telephone jobs look good to the people who really know.

ing class Sunday morning, June 7 at 8 o'clock mass in St. Mary's church in Mokena. Rosemary and her mother, Mrs. Loretta Watson live with the latter's mother Mrs. Charles Erickson.

Guests present were Rosemary's brother, Mr. and Mrs. Raymond Dempsey and daughter Catherine Ray of Chicago; aunts and uncles, Mr. and Mrs. McNally, Chicago; Mr. and Mrs. John Noonan, sons Danny and Thomas, Tinley Park; Mrs. Lillian Albert, Blue Island; Mr. and Mrs. Alvin Kohl, Mr. and Mrs. Howard Martie and son, Edwin, Mr. and Mrs. Richard Erickson all of Mokena; Mr. and Mrs. Elmer Erickson, Green Garden and a friend Joyce Duehr and mother and sister of Orland Park. Rosemary received many lovely gifts.

Mr. and Mrs. Albert Reeves observed their fifteenth wedding anniversary June 12. Many friends called during the day and evening to wish them well. Mrs. Chester Williams will attend a board meeting of the southwestern area PTA council at Markham, June 18 at 8 pm. This will be the first meeting of the new officers for the coming year. Programs for next year will be discussed.

Mr. and Mrs. Sigmund Bukowski visited the new plant of the Nabisco Biscuit company Tuesday. The company was having open house and each visitor was given a box of assorted cookies.

Charles Erickson conducted an Auction sale at St. Mary's hall in Mokena for the benefit of St. Mary's sacred heart league recently.

Mr. and Mrs. Clarence Werner and children Pat, Darlene, Karen, Bobby and Jim of Mt. Greenwood were Sunday guests of the Stuart Culps.

Miss Marie Chalfant, a teacher from Pana will spend the summer with her sister, Mrs. Chester Williams.

Mrs. Lemke, Maue's principal has busied herself with Girl Scout interests since school let out.

Mrs. Brown, teacher of Maues upper grades, started her vacation with a severe case of measles.

Mr. and Mrs. Jos. Albert have returned from a vacation trip which took them thru the Smoky mountains, Rock City and on to Florida. Their stay in Florida was cut short because of storm warnings. Charlotte Albert stayed with a friend in New Lenox while her parents were away.

Mr. and Mrs. Paul Adams and children, John and Caroline, of Atlanta, were visitors at the Owen Maue home for several days the first part of the week. Mr. and Mrs. Harwood Stellwagen and family had dinner Sunday at the home of his parents, Mr. and Mrs. Ralph Stellwagen of Mokena.

Mr. and Mrs. Melvin Perzee and family spent Sunday visiting with his brother and family the Delmare Perzees, a t Gillman.

Bobby Stellwagen, in the company of his grandparents, Mr. and Mrs. Ralph Stellwagen of Mokena, attended the White Sox ball game at Comisky park Thursday.

Mr. and Mrs. Harwood Stellwagen and children attended a surprise celebration in honor of the 40th wedding anniversary of her parents, Mr. and Mrs. John Handorf, in the Handorf home in New Lenox Thursday.

A tour through Swift and Co., the Croydon China Co., and a large florist shop in Chicago made Tuesday an interesting and educational day for Mrs. Owen Maue. The trip was sponsored by the Womens guild of St. John's church in Mokena.

MARLEY

Mrs. Virginia Sass
New Lenox 3133

The Marley Woman's club met for an afternoon picnic at the Marley Woods Thursday afternoon. The hostesses were Mrs. Victor Zaloudek and Mrs. Don Reid, The president, Mrs. Robert Sproat presided during the business session. The program was presented by Mrs. Harold Mohney and Mrs. John Hasibar. Mrs. Lillie Waltman of Joliet was awarded the set of aluminum ware and Mrs. Ann Corney of Oak Lawn was awarded the 53 piece set of dishes. Refreshments were served picnic style by the hostesses. There will be no club meetings during July and August.

Dinner guests Saturday in the home of Mrs. C. F. Haley and Miss Agnes were Norton Rowley and Edwin Becker of Acme, Alberta, Canada; Miss Viola Rowley of Chicago and Billy Mc

Geer of Oak Forest.

Mr. and Mrs. J. W. Cory and Mr. and Mrs. Russel Recknor of Earlville were supper guests last Monday night of Mrs. Adella Sproat.

Mr. and Mrs. Howard Handorf and family enjoyed an outing Sunday at the Sand Dunes in Indiana.

Mr. and Mrs. John Handorf observed their fortieth wedding anniversary in their home June 11. Their children and grandchildren called in the evening in honor of the occasion. Present were Mr. and Mrs. Howard Handorf and family, Mr. and Mrs. John B. Handorf and family, Mr. and Mrs. George Yapp and sons, Mr. and Mrs. Harwood Stellwagen and family and the Misses Marion, Doris and Ethel Handorf.

The officers of the Marley Missionary society met at the home of Mrs. Charles Sievert Friday afternoon to plan the committee for the annual bazaar and supper to be held at the Marley church the third Thursday in September. Present were John B. Handorf, Mrs. Loren Sass, Miss Caroline Tilsy and Mrs. Sievert.

Mrs. Wilbur Careless has been confined to her home with an infection in her arm.

Mr. and Mrs. W. B. Storm of DeKalb were supper guests on Thursday night of Mrs. C. F. Haley.

Mrs. Adella Sproat, Miss Lois Sproat, and Mrs. Robert Sproat and daughter, Laurel were guests in the Leonard Huisling home in Fairmont Sunday afternoon.

Mr. and Mrs. Daniel Sass, Miss Cora Hyink, Miss Cheryl Sass, Frank Liszt and James Liszt motored to Elgin Sunday afternoon where they visited relatives.

Mr. and Mrs. Edward Sproat and daughter Bonnie were dinner guests Sunday in the Harry Sproat home.

Miss Ruth Barney and Miss Marion Barney of Berwyn were guests Saturday afternoon of Mrs. Charles Boostrom and Mrs. C. F. Haley.

The Marley Brotherhood met at the parsonage Wednesday night. Plans were made for the annual Fourth of July picnic.

BABSON SAYS—

Copyright-1953- Publishers Financial Bureau, Inc.
Babson Park, Mass. June 18. It is time for both businessmen and educators to put an end to the reckless overexpansion in the field of engineering education. Many educators and their young student counselors are being misled by the current strong demand and high wages for "physicists, engineers and draftsmen." I predict a lot of disappointments. In just a few years many of these hopeful engineering students may well be come mere technicians simply because the supply will far outrun the demand.

Business Depends on What People Do

The economic welfare of any nation depends upon two general factors: 1, the development of its material, educational and spiritual resources; 2, the efficiency and fairness of its distribution methods. In a free economy this is the way the real lasting welfare of a people is improved—by producing more and distributing same at less cost with less waste. My years of studying business conditions have forced me to conclude that reckless overexpansion in any field can never become permanent.

Our economic history has usually consisted of distinct movements, and these movements have usually consisted of four periods: 1, a period of overexpansion; 2, a period of decline; 3, a period of depression; and 4, a period of improvement. Our history clearly outlines periods of intense activity, high prices, speculation, and borrowing followed by periods of falling prices, periods of depression and failure. The movement which business follows depends on what people think and do. When people get careless and fail to heed the danger signs—when people become greedy and try to get more than they give—over expansion usually follows. Following the crowd is usually followed by panic, contraction and readjustment. Remember 1929!

Realistic Planning Needed
The trouble with most of our high school and college youths is that they don't remember 1929. I'm glad they don't. But they should know the lesson that 1929 taught. And then teachers—and business—should try to help prevent another such period by avoiding the temptation to overexpand and get the last dollar in profits of wages.

Let's be more specific. I read dozens of newspapers and periodicals each week; and I have dozens more digested for me. I read everywhere about the demand for engineers. One recent study of 174 companies indicates companies are hiring about 25% more engineers this June than last year, and at salaries nearly 10% higher than last year, ranging up to \$400 per month. Not once in my reading have I yet run across any warnings from company recruitment officers or top management that the demand for engineers is coming perilously near the saturation point. Is this not a responsibility of both business and the school?

Emphasis on Distribution

In the last half century we have succeeded in doubling our manhour output and at the same time in improving our quality of manufacturing. We can now produce in most industries more than we can consume. During the last ten years, however, we have improved our distribution very little indeed. As a matter of fact, some sales forces have lost ground. They have forgotten what efficiency and service require. I predict the second half of this century will see a belated revolution in our distribution efficiency. This is where the jobs really are! Why aren't our high school and preparatory school counselors calling attention to these opportunities? Why isn't business doing a better job of long range planning and making those long range distribution needs known?

Young people, in fairness to them, should be made aware of the fact that no company can guarantee to hold them at the drawing board or on the production line when business declines. As readjustment develops out of our postwar period of overexpansion, only the most fit engineers will survive. Demands for engineers are at a maximum now. Those who will graduate from engineering schools and colleges a few years hence will not have it so good. They should learn it now so that they can plan realistically for a productive job in our economy and avoid being disappointed by present rosy engineering promises.

FERTILINES 32%

Liquid Nitrogen

Easiest way yet to Feed Nitrogen to crops! Promotes Bigger Yields! Increases Protein content!

This is the very same solution you've been reading about in Farm Journal, Prairie Farmer and the Farm Quarterly. After years of research, Fertiline has formulated this 32% Liquid Nitrogen Solution which actually delivers pure nitrogen to your crops without having to wait for rain.

with exclusive

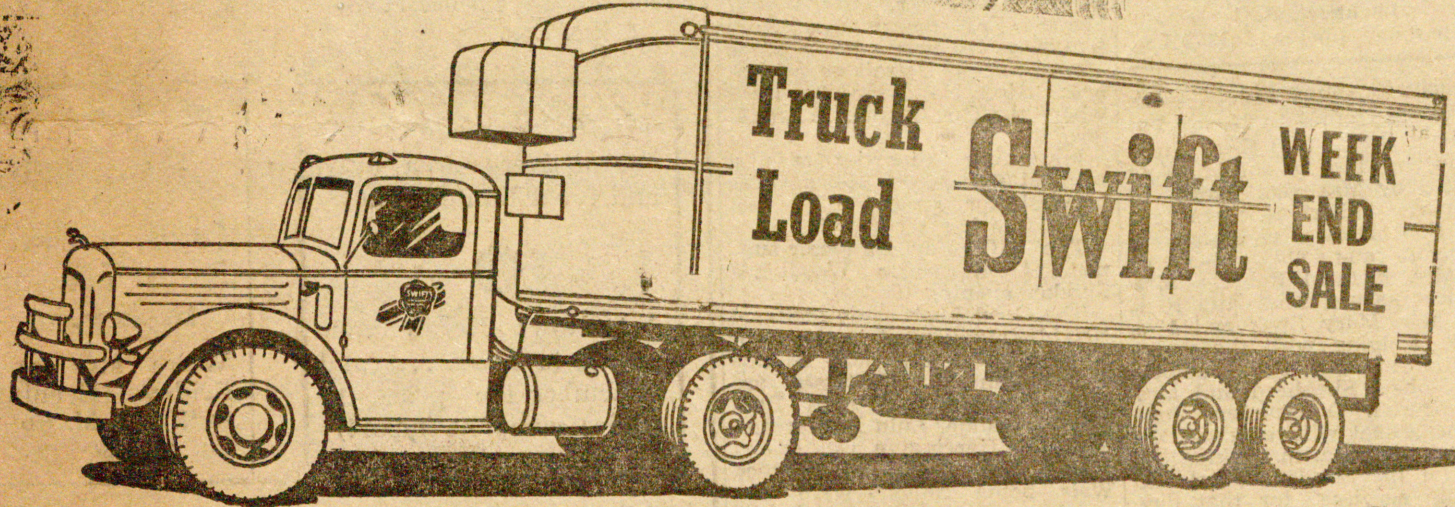

Use Ordinary Weed Sprayer

Fertiline Liquid Nitrogen is as easy to handle as water. It has no pressure and will not burn or evaporate. Field tests prove Liquid Nitrogen is rapidly absorbed when fed through the leaves of plants. Fertiline's new Foll-on formula guarantees the fastest absorption at the lowest cost. No "shooters," no expensive machinery, is needed. This Liquid Nitrogen can be sprayed with an ordinary weed sprayer.

Amazing new discovery that doubles absorption of foliage feeding.

Editor of Weekly First to Enter Soviet Russia

A moving picture, "It Happens Every Thursday", which was released last month, is the first ever to be made featuring a weekly newspaper. The movie, which stars Loretta Young and John Forsythe, tells of the Mellvaine's life in building the Downingtown, Pa. Archive from a run down newspaper of 60 paid circulation to a prosperous weekly of about 2000 circulation. The movie which is based on the book by that name written by Jane Mellvaine, does credit to the weekly newspaper business.

Mrs. Mellvaine distinguished herself recently by managing to become one of the first of a group of U. S. weekly editors to enter Russia. She covered the biggest story of her life when she was given permission to penetrate the Iron Curtain, something no editor had done since 1916.

Jane Mellvaine went on an editor's tour of Europe under the

sponsorship of James L. Wick, who publishes four small weekly newspapers. Arrangements had been made by Mr. Wick for his group to visit top newspapermen of Europe, but Russia was not included in the itinerary, for obvious reasons. However, at the last minute permission was granted, and ten of the editors, including Mrs. Mellvaine, went to Moscow.

The sum and substance of her visit to Russia was, it was good to get back to Downingtown and a free country. "There is no laughter, no joy, no lightness in Moscow," she wrote for her weekly paper. "And you have the sensation of being watched all the time."

Mrs. Mellvaine's stories on her visit to Moscow were featured for a time on the front pages of leading dailies of the U. S. and England and she was besieged by TV, radio and news magazine writers who wanted to interview her.

Mokena Man Writes About Mexico City

Mr. A. P. Belanger, of Moke-

na, who is on an extended business trip to Mexico, has recently made a number of trips to Mexico City, during each of which he has spent quite a little time. He writes interestingly of the capital of the Mexican republic. His letter is reproduced herewith:

Mexico City

By A. P. Belanger
Had there been but a million words and a thousand illustrations of Mexico you could not have seen them all. You come to Mexico with certain definite ideas of what this land of the plumed serpent is. You leave it having added or taken away a bit here and a bit there to make your own panorama. You may visit it many times, as have many, remain here year after year. You will never know it. It is impossible within one book or a thousand, one movie or a multitude of fables, one mind or myriad minds, that which is Mexico.

Border to border, ocean to ocean, sky to earth, core perimeters do not confine it. It is the spirit of a village weaver, a master muralist, a laboratory technician, who in their own way contribute to its making. It is in part a brightly colored wordless annual, a gilded coach, a tattered flag in a museum, a pyramid, a factory, a million things and more, each of which is a ray reflected from a precious jewel still in the hands of the cutter.

It marched with steady tread on the trail of the Chickemecas, it rode with the arrogant men of conquest, it bled with the men of independence, but did not die, it rebelled against a dictatorship, and its unbounded appetites have been whetted by a spirit of progress. It is uncounted yesterday, but as modern as tomorrow. It is your neighbor Mexico.

The problem of going to sleep at night is one that bothers millions of Americans. These people suffer from insomnia, a condition doctors describe as one of the most common they encounter.

Sleep and wakefulness, says Dr. Nathaniel Kleitman, a University of Chicago physiologist, are governed by two nerve groups in the brain, which he calls the "wakefulness center." Sleep cannot come if this center is disturbed by the activities of the cerebral cortex, the seat of man's intellectual processes of reason, judgment, and the like.

Thus the counter of sheep worries over his inability to sleep, finds this worry itself stimulates the wakefulness center and makes sleep impossible to woo. Of course a person not inclined to chronic insomnia can also be kept awake by unusual fears or cares.

Scientists know that the human temperature rises and falls once every 24 hours. The lowest period is the ideal one for sleep. Since this period can be regulated by the sleeper's habits, it offers a means for the chronic insomniac to cure his condition without recourse to sleeping pills.

To utilize it, says Dr. Kleitman, the insomniac should set a regular hour, whether in the day or night, and retire to bed at that same time every day. Gradually, his body will become accustomed to the habit, his temperature will begin to drop at the appointed hour, and sleep will come with less difficulty.

Scripture: Galatians 5-6.
Devotional Reading: Galatians 6:1-10.

Free-Then What?

Lesson for June 21, 1953

TWO kinds of people pay little attention to law. One kind is made of very bad citizens, so bad that sometimes they lose their citizenship. The other kind is made up of those who are the best citizens. Sometimes they even receive medals or other honors from their communities or from the state. How can this be?

The answer is that the first kind live far below the law; the second kind live far above it. Criminals and crooks are lawless because they are anti-social, they are enemies of society and do not want to be a part of the community. But the other kind of people go far beyond the law, as we saw last week. The best husbands probably do not know what the laws are which govern husbands' treatment of their wives. The best fathers may not know what the statutes are which prescribe the duties of parents. These husbands and fathers are far better than any law could make them.

Dr. Foreman
The record-breaking pace of motor vehicle manufacture following the War's end, AMA statisticians pointed out, has practically doubled the size of America's truck fleet. Truck registrations climbed from about 4.8 million at the end of 1945 to 5.6 million at the end of 1952.

The number of trucks built in the U. S. during the past 7 1/2 years exceeds total production for the 36 years from 1900 to 1937.

More than 9.1 million motor trucks came off U. S. assembly lines from mid 1945 through the first two months of 1953, compared with a total of 8.8 million turned out by the end of 1936.

The record-breaking pace of motor vehicle manufacture following the War's end, AMA statisticians pointed out, has practically doubled the size of America's truck fleet. Truck registrations climbed from about 4.8 million at the end of 1945 to 5.6 million at the end of 1952.

AMA statisticians also have figured out that the nation's big truck fleet piles up a total of about 2.5 billion vehicle work days a year, which is equivalent to 16 days of truck service for every person in the country, or 56 truck work days per family.

We Know Love

Even if you do not know what the law is, you always know what love is. Because we do know, naturally and always, what it is to love ourselves. Loving yourself means keeping your own interests at heart, giving yourself the benefit of the doubt.

The divine law of love is: Be just as much interested in others as you are in yourself. Be willing to take trouble for them, watch out for them, give them the benefit of the doubt, think ahead for them. When St. Paul talks about Christians being free, he does not mean being free from love, but for love. What is it that ties us down and keeps us from loving our neighbor? Isn't it our love for ourselves? The Christian way of life is to be free from our own demands so as to be free to serve others.

When The Bible Does Not Speak

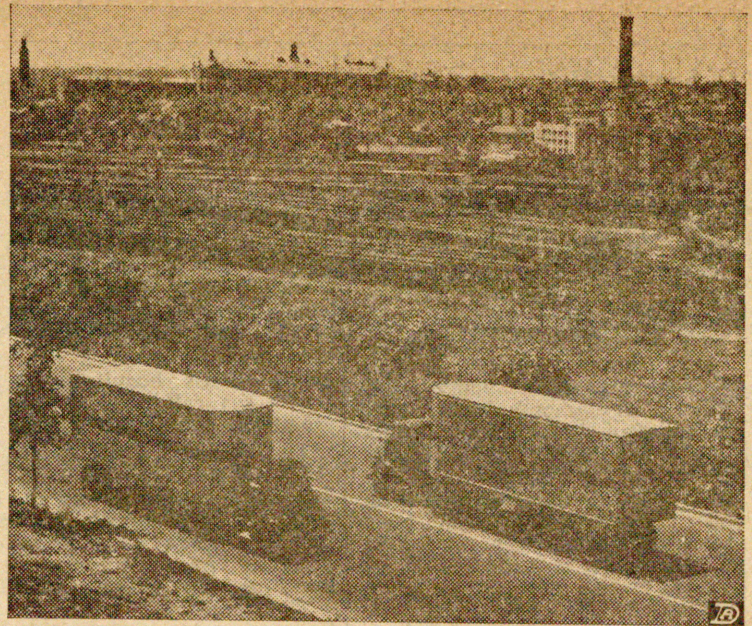

Some people think of the Bible as a kind of rule-book. Well, there are rules in it, and some of them are applicable to our modern problems. But we have some problems in modern living that the Bible says nothing about. For instance: Shall a Christian use tobacco? Is it a sin for the Christian to bear arms? These and many other questions are not dealt with in the Bible as flatly and sharply as "Thou shalt not steal." For this reason, many Christians think that if the Bible does not mention some problem in so many words, they are free to do as they please about it. By no means. The Christian is free from the law as a curse, as a condition of God's favor, or as a cage; but he is never free from the law of love. And since God is love, and since love is the law of our life as Christians, then the Bible always does have something to say about every situation. It has at least this to say: What does love—God's kind of love—suggest?

Freedom And The Spirit

Some Christians have made the mistake of thinking that if a person is spiritual enough, he will be set free from all human obligations. They have supposed that the law of love, in the sense of love to one's neighbor, is on a lower plane somehow than love of God; and that if a man once gets up in the stratosphere of the divine love, then he can simply forget the world outright. No one who takes his New Testament seriously can make that mistake. Read in Gal. 3:22-25 Paul's list of the fruits of the Spirit. These are not ripened in solitude, but in company with others and in their service.

(Based on outlines copyrighted by the Division of Christian Education, National Council of the Churches of Christ in the U. S. A. Released by Community Press Service.)

Truck Use At New High . . . Taxes Are Too

DETROIT — Federal excise tax payments on new motor trucks are heading for an all-time high in 1953, according to the Automobile Manufacturers Association.

First quarter reports, the AMA stated, show that truck excise taxes are being collected at an annual rate of approximately \$200 million. This is more than \$12 million above the record total reached in 1952, and a 3,000% increase since 1935.

Total special truck levies in 1952 reached \$1.4 billion, or about 35% of all special highway user taxes.

The rapid postwar increase in truck taxes, the AMA said, can be attributed both to higher tax rates and to a tremendous growth in truck use.

The number of trucks built in the U. S. during the past 7 1/2 years exceeds total production for the 36 years from 1900 to 1937.

More than 9.1 million motor trucks came off U. S. assembly lines from mid 1945 through the first two months of 1953, compared with a total of 8.8 million turned out by the end of 1936.

The record-breaking pace of motor vehicle manufacture following the War's end, AMA statisticians pointed out, has practically doubled the size of America's truck fleet. Truck registrations climbed from about 4.8 million at the end of 1945 to 5.6 million at the end of 1952.

This fleet, outnumbering the trucks in all the rest of the world combined, has grown in response to expanding transportation needs.

As an indication, annual tonnage handled by for-hire interstate motor carriers rose more than 125 per cent from 1945 to 1951. Total annual mileage traveled by all trucks in the country has climbed from 45 billion to 95 billion, and the volume of freight hauled has reached approximately 10 billion tons, or about three fourths of the nation's total freight tonnage. Trucks on farms increased from nearly 1.5 million units to about 2.4 million in 1952.

The number of truck drivers in the country has grown from 2 1/2 million to 5 million. This is only a segment, however, of the total employment resulting directly or indirectly from truck transportation.

The United States not only has the greatest total number of trucks in the world, but also the highest ratio of trucks per capita. There now is one truck for about every 16 persons in the country. For comparison, the ratio in Great Britain is 1 to 54; in Russia, approximately 1 to 120.

AMA statisticians also have figured out that the nation's big truck fleet piles up a total of about 2.5 billion vehicle work days a year, which is equivalent to 16 days of truck service for every person in the country, or 56 truck work days per family.

From where I sit... by Joe Marsh

Heard About the Electric Weather Predictor?

Squint Smith built up quite a reputation last month by predicting the weather. What he said usually came true.

It got so that folks would sit around his little Antique Shop just to get his opinion.

Last Monday, though, he said he didn't know what the weather was going to be like next day. That surprised us and when we asked what happened, Squint said, "Slipped up on my electric bill and was turned off. I'll get to my radio again tomorrow though." Squint had been getting

the weather over the radio—just like anyone else!

From where I sit, that's the way it goes with some "experts." They often don't have any more inside information than you can get for yourself. Like those who "know" cider is the only thirst-quencher after a day's work. Far as I'm concerned, I'll take a temperate glass of beer. But—I won't try to "predict" your choice for you.

Joe Marsh

Level running even in rough ground... freedom from vibration... control in placing soil around plants — that's what you get with the Allis-Chalmers WD Tractor and its 2-Row Level-Depth Cultivator.

Parallel linkage and precision gang bearings are the key to this new cultivating action. Each gang runs independently over uneven ground — yet all gangs work at level depth.

Quick-hitch feature of cultivator (hinged frame swings out like a gate) and Power-Shift wheels of WD Tractor reduces "get ready" time to minutes.

Let us demonstrate this new cultivating action on your farm.
